CONFERENCE INFORMATION
This one day program will offer practical information and updates on reimbursement and coding through lectures and a panel discussion. The lectures are intended to build on existing knowledge while at the same time offering practical guidance in the handling of coding, reimbursement and compliance. Separate concurrent breakout lectures will be provided during the afternoon session geared to the specific educational needs of professional coders and emergency physicians.

LEARNING OBJECTIVES
• discuss basic documentation fundamentals of ED coding;
• identify differences in regulatory changes affecting Emergency Medicine Coding & Reimbursement legislative compliance between 2014 & 2015;
• develop better internal procedures;
• develop a better knowledge of the appropriate use of CPT and ICD-9 codes for professional services provided in the EDs, including diagnosis, fracture care, and physician extenders; avoid billing and processing errors

TARGET AUDIENCE
• Emergency physicians
• Professional billing and coding staff

ACCREDITATION
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American College of Emergency Physicians and Massachusetts College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Approved by the American College of Emergency Physicians for 6.00 hour(s) of ACEP Category 1 credit.

This program has the prior approval of the American Academy of Professional Coders (the Academy) for 6.0 continuing education hours. Granting of prior approval in no way constitutes endorsement by the Academy of the program content or program sponsor.
